

# REED MARITIME EVENTS

Produced by:

The Maritime Portfolio at Reed Exhibitions consists of four global events in the Asia region including Singapore, Indonesia, South Korea and China. Reed Exhibitions' strength in the Maritime industry is built on our close partnerships with industry, professional bodies, trade associations and government agencies.

Whether you are interested in expanding your business around the globe, exploring new business opportunities or discovering the latest trends, Reed Exhibitions' maritime events will help you meet your objectives.
