

Security of the Energy Traffic in the East Asian Seas

ARGUMENT

Safer, but more unstable?

Maritime East Asia

Islands Sovereignty

1. Discovery
2. Occupation
3. Mutually Exclusive

EEZ Delimitation

1. What Principles?
2. How to Guarantee Access to Resources?
3. Functional in Nature

Transforming Military Capabilities

Maritime Governance

1. Surveillance

2. Law Enforcement

Maritime Security

1. Defence of Existing Space

2. Prevention of Incursions

Conclusions

CUEs – who do they apply to?

Hot Lines – what level do they function?

MCM – who is to take the lead?
